

Help Us Identify **HUMAN SERVICES NEEDS** in Fairfax County

The **2015 Human Services Needs Assessment** will help us identify critical human services needs and potential solutions in communities throughout Fairfax County. **Your input is critical** to help strengthen opportunities for individuals and families to be safe, healthy and to realize their potential.

We're interested in your thoughts on topics such as:

- Availability of physical and behavioral health services
- Accessible and affordable housing opportunities
- Resources to promote financial stability
- Opportunities and resources for children and youth
- Resources for older adults that promote positive living and independence
- Opportunities for community engagement

Participation is Easy!

*March 30
thru June 30*

We have a variety of tools available to gather feedback from individuals of all ages, abilities and backgrounds. Our community engagement opportunities include an **online survey**, **Meetings-on-the-Go** (a tool that makes it easy for groups of all sizes and interests to discuss human services needs and share their perspectives) and several **community meetings** that will be scheduled.

You can participate and find up-to-date information on the 2015 Human Services Needs Assessment online at:
